

## NEW N4L460 CL

N4L460 CL is our new linoleic sunflower hybrid. This mid-late hybrid has been bred to have genetic resistance to Orobancha race H and is backed up with the Clearfield® trait. Great oil content and Orobancha resistance is what makes this product a perfect fit.

- Mid-late maturity, linoleic type
- Bred to have genetic resistance to race H of Orobancha
- Resistant to multiple races of downy mildew
- Flexible in all regions
